P.T.O.

2. The Terms of reference of above State PMTPT Committee are as follows:

- Meet at monthly intervals initially and then quarterly after complete rollout in the state.
- Strategize activities for effective and rapid implementation of the national guidelines for programmatic management of TB preventive treatment (PM TPT) in the state.
- Develop plan of action for preparation (HR, training, testing, treatment centres, peripheral digital devices, prevent TB India app, drug supply chain management, community support etc.), implementation, expansion, and quality maintenance of TPT activities in all HWCs, blocks, districts of the state including private sector beneficiaries.
- Include TPT activities and budget in the State/ District PIP as per the NHM/NTEP norms.
- Map HFs providing care to the target populations eligible for TPT and organize the TPT care cascade of services in the blocks/districts.
- Map out high TB transmission settings (health-care workers, prisons, mines, slums, tribals, migrant labourers etc.) as part of a vulnerability mapping exercise done for ACF and undertake prioritization of state specific TPT risk groups guided by differential TB epidemiology if the risk of active TB among them is higher than that of the general population in the respective states.
- Periodically review implementation status of PM-TPT and address challenges in the respective state to ensure PM-TPT policies and guidelines are being followed.
- Periodically review adequacy status of testing, drugs & logistics related to PM-TPT activities
- Leverage partnership models for TPT activities as per NTEP Partnership Guidelines 2019
- Conduct periodic review & monitoring of PM-TPT activities at state level
- Use Prevent TB India app/Nikshay dashboards for real-time and periodic review of the TPT care cascade by districts, blocks, HFs to identify areas needing urgent intervention to improve access and quality of care.

3. The Commissioner, Health & Family Welfare, A.P shall take further necessary action accordingly.
